

## ABOUT US

Are you looking for a place to find **kava near me**? Bulaa Kava And More is an online marketplace and brick-and-mortar store dedicated to offering the highest quality kava products to customers looking for a healthy, safe alternative to alcohol. Our herbs are 100% tested and contaminant-free, so you don't have to worry about ingesting harmful chemicals in our Delray Beach Kava products. Not only do we offer the best kava available, but we also work hard to create a relaxing atmosphere at our Delray Beach, FL location. We're owned by the incredible Kavasutra Kava bar, one of America's finest Kava establishments. We're dedicated to helping you find the perfect Kava for your mood, and we want you to enjoy the experience of shopping for kava. Some of our greatest customers are the regulars at our very own kava bar, where we share our love and knowledge of Kava with people all over Florida. Along with great quality Kava drinks, we also serve Kratom teas, e-liquids, and have our very own hookah bar. We strive to offer you a unique experience that will show you the true potential of smoking accessories.
